Aligna Clear Aligners Case Submission Checklist

Please include all of the following items for a complete case submission:

Digital Records

[ ] Digital scan of upper arch

[ ] Digital scan of lower arch

[ ] Bite registration (in occlusion)

Photographs

[ ] Intraoral photographs:

[ ] - Front view (in occlusion)

[ ] - Right and left buccal views

[ ] - Upper and lower occlusal views

[ ] Extraoral photographs:

[ ] - Full face (smiling and at rest)

[ ] - Profile view

Radiographs

[ ] Recent panoramic radiograph

[ ] Additional radiographs if applicable (e.g., cephalometric, periapical)

Please ensure all files are clear, high-resolution, and labeled appropriately before submission. Incomplete submissions may delay case review and treatment planning.
